Education

General, Running Start

Renton Technical College • Renton, Washington
I went to Renton Technical College for the Running Start program. The Running Start Program is a program where High school students can earn dual credit to graduate High school, and earn credits for college. During this time I was able to earn credits and transfer them to Western Governors University for a Bachelor's of Sciences in Computer Science.

High School Diploma

Renton Senior High School • Renton, Washington
06/2022

Experience

House Painter

Mylroie Painting • Bellevue, Washington
06/2021 - 09/2021
This Job included painting exterior and interior houses and buisness buildings. Worked in the summer when I had no school. This job has helped me develop communication skills, learn skills quickly, and has helped me learn how to work as a team.

Skills

C#, SQL, Git, Communications, Object Oriented Programming, GitHub, Windows, Visual Studio Code, HTML, CSS

Projects

Personal Blog: https://raulm206.github.io/Raul-s_Blog/

- This Blog help developed basic html and css skills in order to create a simple website.
- This website has also helped learn how to create responsive websites so the web pages can be compatible with all devices.

Languages

English, Spanish
